## New products

### Clear Stadium Bags

Our clear stadium bag is a transparent backpack, crossbody, or fanny pack that are designed for security-compliant entry into events and stadiums. Made from durable, clear PVC material, it allows quick visibility of contents while being lightweight and easy to carry.

Personalization options are endless! Personalize with monograms, logos, or custom designs to make them a stylish and unique for any occasion!

### Custom Shape Koozie

Personalized koozies come in various shapes to fit different drink containers, such as slim can koozies, bottle koozies with zippers, and traditional can koozies. Made from insulating neoprene, they keep beverages cool and hands dry.

These koozies can be customized with names, logos, or designs, making them perfect for events, gifts, or promotional items. Can also be cut into various shapes such as jerseys, hats, and sportswear.
